ARMY MEDICINE

One Team…One Purpose!

Conserving the Fighting Strength Since 1775

MEPRS TRAINING SYMPOSIUM

DMHRSi Data Repository (DDR)

Army MEPRS Program Office (AMPO)

Gregory Mitchell

26 October 2016

UNCLASSIFIED

UNCLASSIFIED//FOUO

IDENTIFY AND CORRECT NET MONTH NEGATIVE EXPENSES

Purpose: Overview of the Deployment and Training of the DMHRSi Data Repository

Outline:

1. What is the DDR.
2. Operation Data Store (ODS) vs Data Marts (DM)
3. Assumption for Deployment
4. Schedule
5. Questions

ODS vs DM

Operational Data Stores (ODS):

1. DDR Personnel ODS DMHRSi transactional, detailed data for Personnel
2. DDR Manpower ODS DMHRSi transactional, detailed data for Manpower
3. DDR LCA ODS DMHRSi transactional, detailed data for Labor Cost and Accounting.
4. DDR E&T and Readiness ODS DMHRSi transactional, detailed data for Education and Training, and Readiness.
5. DDR SAA ODS DMHRSi transactional, detailed data for Users and Responsibilities

Data Marts (DM):

6. DDR Assignment Position Summary DM Assignment and Position counts by MTF, Person Type and Job Group.
7. DDR Lexicon DM Job occupations and specialties across Services
8. DDR Occupation DM Duty Occupation Person Extra Information for individuals across Services
9. DDR Project Accounting DM Projects and tasks across Services
10. DDR Training DM Training across Services

Assumption

- All documentation regarding the DDR (Data Mart (DM) and Operation Data Store (ODS) will be made available
- All documentation regarding the current DDR-BOXI universes will be made available
- All current DDR-BOXI training documentation will be provided for review
- Training will be accomplished through modalities such as Web based training, Computer Based Training, On-line training utilizing tool sets such as User Productivity Kit (UPK). Train-the-Trainer or training students will be conducted locally in the Falls Church/Northern Virginia area, with the Government providing class room setting with all required equipment
- Training will not be conducted until such time that the ODS/DM/Universe structures are deemed usable and dependable by the government.
